Spectacular animal encounters at Hannover Adventure Zoo

9 Hannover Adventure Zoo Hannover

So close! Hannover Adventure Zoo is home to Africa, India and Canada right outside the front door. During the boat trip over the River Zambezi (only in the Summer season), the boundaries between humans and animals disappear, Flamingos, giraffes, zebras and rhinos and not least hippos seem to be able to get into the boat at any time. In Yukon Bay polar bears fight with waves and dive in the underwater world just behind the windows.

Exciting city tours

17 Hannover Gin

Experience Germany's only 4-storey gin distillery in the heart of Hannover. Joerma Biernath distills his gin as well as non-alcoholic variants, vodka, and 70% absinthe, having received over 14 national and international awards. He sources the appropriate flavors as a city farmer, drawing on over 70 years of botanical family knowledge, partially from herbs grown on self-planted plantations in the city. The original Hannover Gin Distillery tour with gin tasting is always a special experience.
